Welcome to your new mountain home!!! This stunning custom cabin has everything you may want and more! The main floor features a huge great room with vaulted ceilings and a propane stove, a gourmet kitchen with hickory cabinets and stainless steel appliances, a large laundry room with pantry, a guest bedroom and bath, and a lovely master suite with private bath and walk-in closet. Most rooms have access to the vast decking that wraps around three sides of the cabin and includes covered areas and a view deck with a retractable Sundowner awning to insure you can enjoy the deck in any type of weather. The ground floor has an enormous two-car garage with workshop area and a third bedroom with an attached half bath. For accessibility, there is a new stair lift chair to transport you between the two floors. While the open floor plan, recent interior paint, custom window treatments and trim, and wood accents add to the beauty of this cabin, the central heat and air, central vacuum, whole-house generator, paved driveway, and attached garage add all the conveniences of home and more. Whether you are visiting with friends and family in the great room, BBQing under the covered deck, or enjoying the spectacular view from the expansive open deck, you will thoroughly enjoy your new cabin. Did I mention that the gorgeous furniture and household goods are included so you don't have to bring anything but food and clothes on your first trip up? Don't miss out on this one – call today!
